DEPT. OF ECOLOGY

In order to implement the provisions of Initiative Measure Number 59, the Family Farm Water Act which was passed by the voters on November 3, 1977, we must ask the following questions:

Does the total number of acres in which you have controlling interest in the State of Washington exceed 2000 acres for the following three categories:

- 1. Lands that are being irrigated under water rights acquired after December 8, 1977.
- 2. Lands that may be irrigated under applications now on file with the Department of Ecology.
- 3. Lands that may be irrigated under this application.
